Note: Upon enrollment and login, you will be asked to provide CCEI with your current center / school of employment as well as your Social Security Number. This information is **STRICTLY VOLUNTARY** and is used for the sole purpose of identity verification and transcript accuracy. You will be given an opportunity to "opt-out" of providing this information if you choose to do so. This information is secure and per the CCEI privacy policy will be restricted to defined use.

I Agree (Request Enrollment Now)

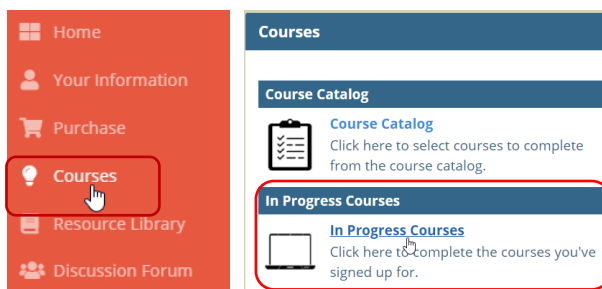

- You will receive confirmation that your account was created successfully and that the trial course for the month and the free SOC101: Healthy Social and Emotional Development vs. Challenging Behavior in Young Children courses have been assigned. The confirmation provides the next steps.

The confirmation provides the next steps which include the following:

- Check your email for a validation email. The validation email includes your username, password, and an email validation link that must be clicked to proceed.
- Once you have validated your email address you can log into the system.
- Upon logging in the first time you must provide updates to your demographic information. Anything with a ⚠️ requires a response, even if the response is you **Do Not Wish To Provide** information.
- Once all information is complete you may access the training.

- To access the training click Courses on the navigation menu, then In Progress Courses on the Courses page.

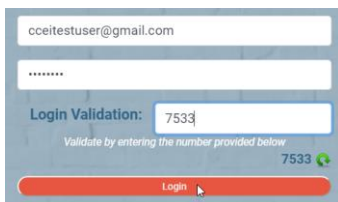

- From the **In Progress Courses** page click the **Begin Course** link under the SOC101 course title to start learning.

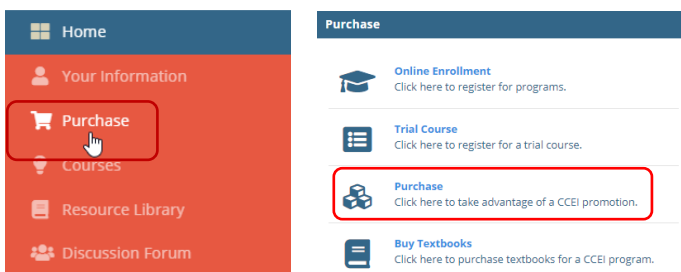

If you already have an account in the CCEI Learning Management System, follow these instructions to take advantage of the free course:

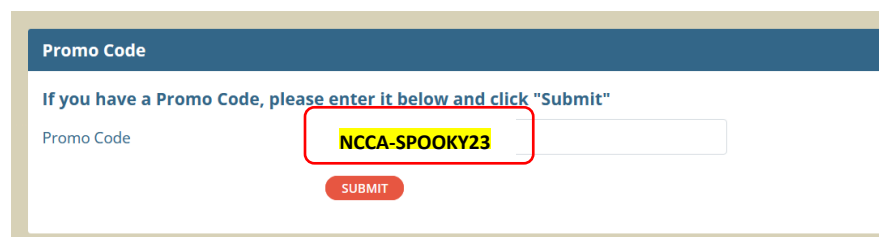

1. Visit the CCEI LMS system (www.cceifame.com) and log into your CCEI account with your username and password.

2. Click the **Purchase** link on the navigation menu then the **Purchase** link on the **Purchase** page.

3. Type the word **NCCA-SPOOKY23** in the **Promo Code** field and click **Submit**.

4. You will receive confirmation that the course has been assigned and instructions on how to access the course.
